

Handouts:

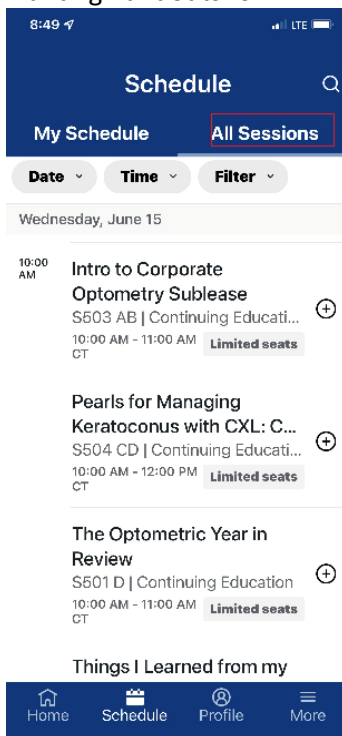

From the CVENT app homepage, click on “Schedule” at the bottom of the screen.

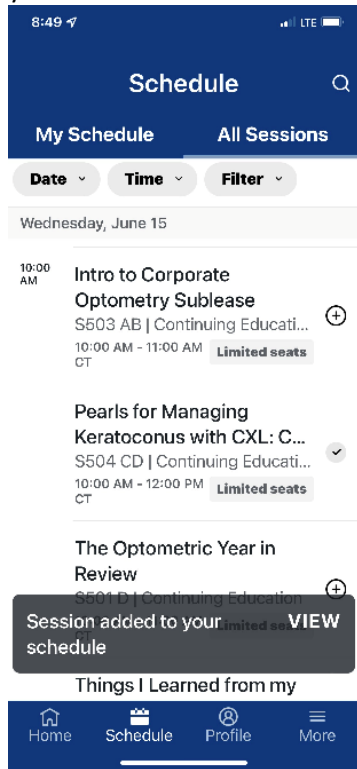

Credit Claiming

This will take you to the “Schedule” page. Click on “All Sessions” and then locate the course you are wanting handouts for.

Click the Plus sign icon to the right of the course you are wanting handouts for. This will add the course to your schedule. Then click the name of the course.

You will land in the course. If handouts exist for the course, you will see an “Attachments” option at the bottom of the screen. Click on that to see the handouts for the course.
